# Officer Reports: VP& Repeater trustee Shannon Boal

- SARNet connection is working well and is working for shelters.
- Working on setting up a contact point a Waldo center square.
- Working in cleaning up. Rob CARR retired.

Field Day summary: hosted in Waldo by the council.

(Note: Waldo councilman is studying for ham exam.)

-Were able to socially distance while socializing and participating.  
-No health issues. Light towers on baseball field. Antennas were set up well and working even better this year.

-Helped with food drive while setting up for field day.

-Currently working to improve Waldo city generators.

Kim Worley and Glen Johnson (Waldo representatives) developing a symbiotic relationship with GARS

-SSB worked well. Few operators in Waldo. Home station participation worked well.

Cooking group did a fantastic job (Troupe, and Barry)

Allan West (ARRL Liaison) is going to start AR testing in Waldo.

Terry Gordon bought a new tower and brought it back to our area.

Ken Miller KF4ULO IIR helped out during Field day.

Logging worked flawlessly during field day. (Logging system set up remotely by Larry Rovak while he was in another state.)

Bylaws: Clarified the language and mandates for the website newsletter. Need a majority of people present to ratify bylaws. Family members don't have to reside in the household. Bylaws were voted on and approved today.

Appreciation of Bob Guertin W1GLV's service to GARS. Appreciation letter read to GARS group.

Updates: They are busy. 😊

Presentation on go boxes last week. Thank you to Leland for his work.

Working on follow up to enhance communication between EOC and City of Waldo.

Storm season is starting to brew.

Next storm will start with “G”

Would like more people to become certified to help in shelters.

Presenting:
